Experience The Blossoming Beauty of Spring at Conrad Seoul

Conrad Seoul re-defines a whole new world of luxury, sophistication and service in Korea. Admired for its globally inspired architecture and stunning views of the Han River and city skylines, Conrad Seoul appeals to a new generation of travellers.

Imagine 1,886 beautiful cherry blossom trees that create the most picturesque view. Let the most romantic scenery unfold before your very eyes while walking along the popular Cherry Blossom Street in Seoul within walking distance from the hotel. Complete your journey with the Royal Albert Afternoon Tea, inspired by the Spring flowers.
