

What is the Internova CURATED Hotels & Resorts Program?

With more than 400 hotels globally, Internova CURATED Hotels & Resorts is a collection of handpicked premium and design-inspired properties suited to the needs of modern travelers.

The program offers lifestyle experiences at a price value, with the added benefit of a USD \$100 credit when staying at participating properties for two (2) or more consecutive nights.

Program Requirements:

Internova CURATED Hotels & Resorts' collection of benefits is available for new qualifying bookings (stays of two consecutive nights or more) made through an Internova Travel Group agency at participating properties. Room upgrade is subject to availability and is provided at check-in. Internova CURATED Hotels & Resorts amenities are applied per room, per stay. Program benefits are to be used during the stay, cannot be redeemed for cash and are only combinable with other amenities if specifically outlined.

Program Eligibility Requirements:

- Premium or design-inspired lifestyle properties
- Rate Product: Best Available Rate (BAR) or better; properties can contract at a discounted rate. Parity is required.
- Last Room Availability (LRA)
- No Walk Policy
- Minimum 10% Commission

Internova CURATED Hotels & Resorts Program Participation Includes:

- GDS distribution – the Internova CURATED proprietary rate code is used by over 6,000 Internova Travel Group agencies, representing a network of more than 100,000 travel advisors.
- Dedicated partner profile page on internovatravel.com.
- Access to a promotion management tool allowing you to manage your property's special offers and promotions.
- Access to tailored marketing opportunities across all Internova Travel Group agencies to maximize your exposure and engagement.
- Dedicated Account Management team member providing support to increase visibility and support your revenue goals.
- Listing in Internova Travel Group's proprietary online booking tools for travel advisors.
